Dear Curtis,

Please accept the enclosed certificate with our deepest appreciation for the work you and your staff, volunteers and friends of AFS in your country have done to promote the petition for a global expansion of youth exchange programs.

Among the top ten contributors of signatures to the petition, AFS Mexico has distinguished itself by mobilizing its resources to support, publicize and encourage others to say "yes" to peace through intercultural understanding.

Many of our Partners among this top ten group have reenergized their volunteer base, used the petition to reacquaint themselves with their host schools or invite new schools to join as hosts, and reached out to other like minded organizations to form a network of support for increased intercultural exchanges.

We also appreciate your continued support in getting many more signatures as we get closer to the deadline of April 28, exactly one year after the launching of the petition in Oslo, Norway. We still need more signatures!! We will present the petition at a ceremony to be held at the United Nations on June 6.

Thank you for your efforts to make this petition a success and for your extraordinary dedication and support.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Tachi Cazal'.
